Activities through the past year:

We successfully rescheduled Little Rock SEAC from 2021 to 2022 with no penalty from either the Doubletree or Robinson Center. The new dates will be November 9th-12th, 2022.

We have a checking account for SEAC 2022 with Regions Bank with a balance large enough so that it does not incur monthly fees thanks to a check from the SEAC treasurer.

We are strongly considering the Historic Arkansas Museum in Little Rock for our Thursday night reception. We are looking into the possibility of having a public day on Friday, the 11th at the Old State House Museum, adjacent to our conference hotel, where we would have select papers open to the public and demonstrations of public outreach activities.

Our Saturday field trips are tentatively set to be 1) a rock art tour on Petit Jean Mountain led by George Sabo and 2) Little Rock Central High School National Historic Site tour.

Plans for coming year:

This coming year we will decide on catering, the Friday dance band, transportation, program cover art, and make final decisions and arrangements for Saturday field trips.
